Before	After
The bird flew through the sky. Its shadow could been seen moving across the land. There was no wind and the streams were making lots of noise as they flowed down the mountain. On top of the mountain was a little bit of snow. **Things to Target** - Boring words - Sentence starters - Joining short sentences with commas or joining words, to make one exciting sentence. - Adding extra detail using commas - Not repeating words or phrases in close proximity	_____ _____ _____ _____ _____ _____ _____ _____ _____ _____ _____ _____ _____ _____ _____ _____ _____
