Year 5-8 Camp Out

Sorry everyone but due to the inclement weather forecast the Y5-8 camp has been cancelled for this year. Money will be refunded tomorrow.

Rocky Shore

We were lucky with the weather last week for our Rocky Shore visits. It was amazing to see the variety of sea life in the rockpools. The brittle starfish, clingfish and even a seahorse was found by Javani and identified by our resident expert Mr Murphy.

Thank you to Kevin Archer from the Taranaki Regional Council for his help with planning, support and expertise on the day.

Home & School Annual Meeting – Tuesday, 28 February 2012, 7.00pm.

Last year Home & School donated \$17,113.00 to the School which is really a great feat. Everyone that supports school lunches, baking, raffles, book stalls, photos, calendars etc should really pat themselves on the back as this money truly helps in many ways. To continue this good work, we would love some new members. This is a great way to get involved and make new friends.

We look forward to seeing you next Tuesday at 7.00pm or if you are keen to come on board but cannot make the meeting, please either let Bronnie in the office know or feel free to phone Glynis Kemp on 753 8855 to discuss in more detail.
