

SCHOOLKIT AT HOME

LOOK: At the pictures of birthday cakes.

TALK: Ask the older adults in your bubble if they remember a thing called the [The Australian Women's Weekly Birthday Cake Book](https://bit.ly/2KJQ9wh). Show them this video if they can't remember... <https://bit.ly/2KJQ9wh> . Ask them to tell you about a memory they have of a cake from that book.

DO: Design your dream imaginary completely made up birthday cake. Anything is possible and affordable - the budget is as much money as you need. You'll need to create a diagram of how everything will look. Your cake must have

- A theme (like rainbow unicorns or lego or space)
- At least 5 layers.
- Only stuff that can be made of cake or icing.

Your diagram must show us

- the flavour of each layer
- the decorations for each layer.
- colours for each layer.
- any surprise features (e.g. a volcano inside)
