**WATCH:** How to draw a cubetacular hole in your paper

**TALK:** What did the artist use to make this drawing? What skills do you need to create it? What was each step the artist took? On a scale of 1 - 10 how difficult do you think it would be?

**DO:** Draw a cubetacular hole in a piece of paper.

Have a hunt around the house and find all the things you need. Don't have squared paper? Ask an adult in your house to help you create them using a ruler. Follow the steps in the video and don't forget to show us your results!
