

SCHOOLKIT AT HOME

WATCH: Hidden Stories - Dorothy Vaughan

TALK: Look at the grown ups in your bubble (especially the old ones). Do you think there is a story from when they were growing up that they haven't told you? Ask the grown ups in their bubble to tell you how their lives were different from how your life is today.

DO: Ask your grown ups to tell you about a time in their past where they did something they were proud of. It does not need to be a big thing (like going to the moon), in fact, a little story is better.

1. Choose the best hidden story from the ones your grown ups tell you.
2. Turn that story into a children's book.
3. The book must tell the story in only 6 pages
4. Use one of the zine tasks we have had over the last weeks to make your book. (if you can't find a how to use this one <https://youtu.be/lxqr9e3wCxl>)
5. Illustrate your story and use it to inspire others in your family.

And watch the movie Hidden Figures because it is bloody amazing. See the trailer here: (<https://youtu.be/5wfrDhgUMGI>)
