

# SCHOOLKIT AT HOME

**LOOK:** At hip hop words by [The Pudding](#). have a play around with the graph where you can type in any word you like and see how common it is in hip hop.

**TALK:** Are there any words that the people in your bubble say all the time? Does anyone say "like" or "literally" or "very" or "cool" alllllllll the time? Make a list of each person in your bubble - what do you think is their most used word? Challenge each other not to use their 'most used' word for a whole hour.

**DO:** Find the lyrics to your favourite song on a site like <https://genius.com/>. Make a list of each word and then tally chart how often it is used.
