

SCHOOL KIT AT HOME

WATCH: At these copies of Ideal Bookshelf by the book loving artist Jane Mount. Then watch this video of Jane painting one of her Ideal Bookshelf paintings (<https://youtu.be/juc7rIBDnpU>).

TALK: Which books would be on your idea bookshelf? Jane only lets you choose a top 10 (maybe 15 if they are skinny). Interview the people in your bubble and get them to choose theirs.

DO: Look up the books you have chosen for your painting on the internet (or gather them together if you have copies at home). Now arrange them so they look perfect. What order will they need to be in? Colour? Theme? Symbol? Ranking?

Now get to work. Paint the underneath colours first and then wait for them to dry. Now add the detail.

You can see a whole lot more of Jane's Ideal Bookshelves at her website. <https://www.idealbookshelf.com/collections/prints>
