

# SCHOOL KIT AT HOME

**WATCH:** Le Petit Chef - Bouillabaisse (if you want to see some of the other animated courses this little chef also serves his guests dessert ([vimeo.com/155367702](https://vimeo.com/155367702)) and BBQ ([vimeo.com/127722907](https://vimeo.com/127722907)))

**TALK:** If you could imagine a dinner where you could eat a whole bunch of your favourite foods what would be on the menu? What would you have to start the meal? What would be the main course? What about for pudding? Would there be extras? Would there be vegetables?

**DO:** The New York Public Library has digitised 17,500 menus from 1850 through to today.

1. Browse through the menus and design an imaginary banquet.
2. Watch the feast begin at Hogwarts for a bit of inspiration (<https://www.youtube.com/watch?v=2hy9u5qkYal>).
3. Try picking different meals from different years. (<http://menus.nypl.org/menus>)
4. If you know how - use Canva to design the menu.
