

SCHOOLKIT AT HOME

WATCH: Clara's Life Story

TALK: What is your life story? What happened when you were born? Whereabouts was it? Where did you live? What are some of your favourite memories from when you were young? What were some exciting trips or journeys you made? Who has been a big part of your life? Where do you live now? Who are your friends and family? Who is the most important person to you? Why? What is your favourite book and why? What do you want to do in the future? Who do you want to be as an adult? What do you want to do for a job?

DO: Draw your own life story.

Using the information you talked about, draw your own story starting from when you were born, through to now. Take it a step further by drawing what you want in the future. Remember the little details are important, you can use some words if you would like to label parts of your drawing.
