WATCH: Sadako and the Thousand Paper Cranes

TALK: Who is the girl in the video? Where is she? Why do you think she is there? How did she get there? How does she feel? What is a paper crane? What does it represent?

DO: Make your own paper crane.

There is so much behind the story shown in this video. Sadako was a child living in Japan when the atomic bomb was dropped in Hiroshima, 1945. Read the information about her and her story here: <https://www.origami-resource-center.com/sadako.html>.

Once you have learnt about Sadako, the paper cranes and what they represent, try folding one of your own. Watch a tutorial video here <https://youtu.be/KfnyopxdJXQ>
