WATCH: The Secret Messages of Viking Runes

TALK: Who were the Vikings? Where did they come from? What did they use runes for? How would you use runes if you were a Viking? What sort of message might you want to leave?

DO: Write a secret message using Viking runes. Use the Viking version of the alphabet (found here <https://www.pinterest.nz/pin/658932989215961779/>) to translate your secret message. Swap with someone inside your bubble to uncode.
